-------------------	---------------	------------

CLUB CHAMPIONSHIPS

All players MUST be financial members prior to the first round of the championships.

Nomination for membership has been approved by the management committee also.

Players are required to nominate with Captain to play one (1) week prior to the commencement of Championships.

All players MUST have a current GA handicap.

Second round players are to be drawn based on the leaders of each grade.

Leaders of each division are to hit off last in field in the final round.

"D" Grade Championship is to be played for handicaps 28 plus. Men only!

Championships will be played over 4 days of 18 holes each for men and 3 days of 18 holes each for ladies.

Ties for gross events will be decided on last day of event by sudden death playoff.

Failure to comply will result in loss of title.

Play off holes to be determined by the Match Committee prior to teeing off.

Tie for Nett Honour Board events will be a play off over 18 holes at a later date suitable to both players.

Ties for net events will be determined by countback system over the last 18 Holes.

Juniors will play over the 3 or 4 rounds of the Championships according to gender

GOLF COMPETITIONS AND HOW THEY ARE PLAYED

These notes outline only the general idea of how some competitions are played. The Match Committee has the responsibility for laying down the conditions under which a competition is to be played and the handicaps to be applied.

Main Competitions

Stroke

The stroke score at each hole is entered on the score card, totaled and the player's full handicap deducted.

For 9 hole competition, ½ handicap deducted from gross score.

S.S. (Standard Scratch)

The stroke score at each hole is entered on the card. Any handicap strokes allowed (see card) are used to determine the "nett" score at each hole. If it is lower than par it is a win (+); if equal to par it is a half (0); if greater than par it is a loss (-). Enter the result +, 0, - in the appropriate column. At the end of the round the + and - signs are added to give the result .e.g. so many up, so many down or all square.

Stableford

The stroke score each hole is entered on the card. The player then allows for any handicap strokes (see card) to score points on the "nett" score at each hole. The points result is also entered in the appropriate column.

e.g	nett 2 under par	scores 4 points
	nett 1 under par	scores 3 points
	nett par	scores 2 points
	nett 1 over par	scores 1 point
	anything worse	scores 0 points

At the end of the round add up all the points scored.

Other Competitions

Four Ball Best Ball Competitions

Two players play as partners. The stroke score and the result at each hole are entered on the score card in the appropriate columns for the partner who achieves the better result.

Foursomes

Two players play as partners and use one ball. The partners hit off alternatively from the tee and thereafter hit the ball alternately during the play at each hole.

Mixed Foursomes

As for Foursomes, except Lady Members use their own tees. (At this club it is compulsory for the member to play from the first tee.)

Canadian Foursomes

As for Foursomes except that "both" players, play tee shots at every hole and afterward continue with which ever ball they nominate. The player who is "not the owner" of the ball plays the second shot.

American Foursomes

Both players play tee shots at each hole, and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with "the owner" of the ball selected playing the third stroke

Chapman Foursomes

Both players play tee shots at each hole, then a second shot with their own ball. One ball is then selected and play proceeds as in Foursomes with the player who is "not the owner" of the ball selected playing the third stroke.

Flag

When the player has completed a certain number of strokes (in our Club, **usually 68 plus handicap**) the player's round is finished. The first player carries the "flag" and places it where his ball lies at the finish of his round. Subsequent players try to carry it further and replace it when they reach the end of their strokes.

(ladies 70 plus handicap)

Bisque

The player uses handicap strokes as he chooses and not by the index on the card. This must be done after each hole is completed and before the next hole commences.

Ambrose

Players of the side hit off. Other players on that side retrieve their ball and hit from the position of the selected ball this is repeated for each shot.
